Vice Commodore's Comments by Chris Haro

Autumn Nights!!!

Have you noticed that the nighttime lows are getting in the low 60s? That you need a light coat at night? Christmas Trees are for sale at Costco? Our Wednesday night racing has ended? This could represent only one thing! Autumn has begun!

What does this mean for our club? Several things. First, it is time to elect a bridge for 2020. Second, there are upcoming cruise events on the horizon, like a Duffy scavenger hunt, a Duffy bar food crawl or a Christmas House Lights Duffy cruise. Thirdly, a Wednesday night game night will be introduced soon, Octoberfest in Lake Arrowhead, and one of my favorite's things, the Christmas boat parade.

What did you say?

Slow Down!

What did I forget?

No, I did not forget Halloween!

Enough about Autumn, time to recap on the month of September. The Russell's were very kind to open their home to our endless beach party on September 14, 2019. We welcomed back the Newport Beat to play glorious dancing music, Wilbur was cooked in an imu, and he was served with all the great appetizers that everyone brought. A big thank you to Jennifer for helping organize the food, tables, chairs, and easy ups. Another thank you, to those who arrived early to help set up, (next year we need more people to help set up), and tear down.

<< See, the shirt I bought my wife?

Halloween is a time to carve pumpkins, (Andrea already carved her's), step out of your comfort zone by ~~eross~~ dressing in costumes and reminiscing about our childhood. The childhood where we received free candy for exercising, (walking) around the neighborhood. Now as we age like a fine wine, we play dress up in costumes and drink wine while we look for candy, preferably FREE WINE!

Vice Commodore's Comments (Continued)

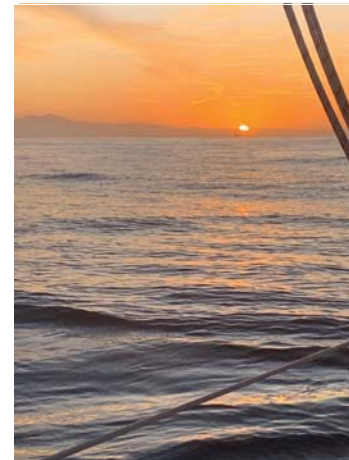

Crew of 2 was raced on September 21st (for some) and 22nd. Yours truly participated by crewing on *Stardust*. *Stardust* was captained by Tom Noto. Unfortunately for Tom and I, we were unable to finish the race due to time constraints and LACK OF WIND.

Could this be a time for other partners to step up to the plate and surpass Jessica next year? *[Editor's Note: Nice try, Chris, but if you skipper your own crew next year, I'm not creating a menu like this!]*

Oh yeah, Jessica even had a secret midnight snack for Tom and I. The midnight snack: cookies and milk. The cookies were baked fresh in the oven on the ship.

For those of you who do not know, Crew of 2 is an endurance race around Ship Rock or around the entire island of Catalina. During the race, I witnessed a beautiful sunset over the Pacific, the rising of a Waning Gibbous moon, and the sunrise over Orange County.

I have to give a big shout out and thank you to Jessica who prepared a menu for Tom and I. The food she had ready for us was amazing!

Whew I wrote a lot, and I must go now, however I need to address two items. First Happy Birthday to our Commodore, and I will have SSYC apparel to order at the Second Friday Dinner in October or you may email after the Second Friday Dinner to place an order.

Your Vice Commodore,

Chris Haro

Social by Jennifer Johns

There was no monthly dinner in the social front this month, but that did not stop the SSYCCers from being social. All gathered on a hot Saturday afternoon to relax, roast a pig, drink a mai tai, do a little dancing, and have a ton of fun. Our annual Endless Summer Beach Party was a great success this year! The Newport Beat killed it once again with an amazing set list. Everyone's potluck items were delicious. There was not a hungry person in the crowd. A HUGE thank you to Dean and Barbara Russell for being so gracious for opening their home to us for this event! It is always a crowd favorite. Thank you, Thank you, Thank you!

What's Next on the Calendar

Calling all Souls! Come join us Friday October 11 as we celebrate Day of the Dead for our October monthly dinner. **There is a time to be good and a time to be bad. But this time..... Good times for all will be had!**

Cheers,
Jen Johns
Social Director

Cruising by Dean Russell

The Endless Beach Party was the finale to summer. We had a record turnout for a warm day on the beach with friends, food, libations and music provided by the Newport Beat.

On October 19, we are cruising to Lake Arrowhead for Oktoberfest in the village. This will be a fun event in mountain setting. Oktoberfest is held on the Saturday and on Sunday starting at noon each day. In addition, there is a concert Friday night in Skypark at Santa's Village. On Sunday, there is a brunch at the Tudor House in Arrowhead Villas.

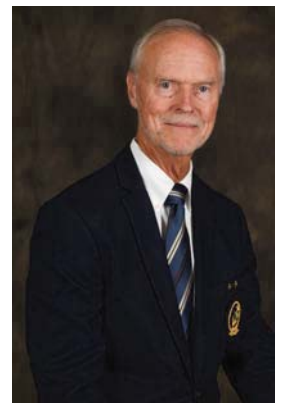

A Duffy Day & Scavenger Hunt on Newport Bay will be on November 16. The cruise starts at 2:30PM from the Sol Mexican Cucina at the corner of PCH and Bayside Drive. We will return to Sol after the cruise for dinner. Look for the evite.

On December 13, we are planning a night out at the dueling piano bar, Keys on Main. Also, a Duffy cruise at night to see the Christmas lights from the water. Details to follow.

Start making plans for the Commodore's Cruise next year to the BVI. For those unfamiliar, that is the British Virgin Islands. We depart from Tortola on October 19, 2020. We are chartering bare boat catamarans. The larger ones have 4 cabins and 4 heads. The approximate cost for the boat for the 7-night charter is \$850 per person.

Notices

For our new members, and as a refresher for our long-time members, I have included a copy of the SSYC Anti-Harassment Policy (2 pages):

South Shore Yacht Club Anti-Harassment Policy

South Shore Yacht Club (SSYC) is committed to an environment in which all individuals are treated with dignity and respect. Each member or volunteer has the right to participate in a professional atmosphere that prohibits unlawful or discriminatory practices, including harassment. Therefore, SSYC expects that all relationships among all persons we encounter will be business-like, respectful and free of bias, prejudice and harassment. SSYC will make every reasonable effort to ensure that all members, volunteers, instructors and vendors are familiar with these policies and are aware that any complaint regarding a violation of such policies will be investigated and resolved appropriately. This policy will be distributed to all members and posted on our website. Anyone who has questions or concerns after reviewing this policy should talk with a member of the SSYC Board of Directors. SSYC encourages reporting of all perceived incidents of discrimination or harassment and prohibits retaliation against any individual who reports or participates in an investigation of discrimination or harassment complaints or concerns.

Sexual Harassment

Sexual harassment is strictly prohibited and is illegal under federal, state and local laws. For the purposes of this policy, “sexual harassment” is defined as unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when having the purpose or effect of unreasonably interfering with an individual’s participation in the organization or creating an intimidating, hostile or offensive environment. Sexual harassment may include a range of subtle and not-so-subtle behaviors and may involve individuals of the same or different gender. Depending on the circumstances, these behaviors may include: unwanted sexual advances or requests for sexual favors; sexual jokes and innuendo; verbal abuse of a sexual nature; commentary about an individual’s body, sexual prowess or sexual deficiencies; leering, whistling or touching; insulting or obscene comments or gestures; display of sexually suggestive objects or pictures; and other physical, verbal or visual conduct of a sexual nature.

Harassment

Harassment based on any protected characteristic or class is also strictly prohibited. Under this policy, harassment is verbal, written or physical conduct that denigrates or shows hostility or aversion toward an individual because of his or her race, color, religion (including religious dress and grooming practices), color, sexual orientation, gender (including gender identify and gender expression), national origin, ancestry, age, physical or mental disability, sexual orientation, military and veteran status, marital status, or any other basis protected by federal, state or local law. SSYC prohibits discrimination, harassment, disrespectful or unprofessional conduct based on the perception that anyone has any of those characteristics or is associated with a person who has or is perceived as having those characteristics.

Prohibited harassment, disrespectful or unprofessional conducts, but is not limited to, the following behavior:

- Verbal conduct such as epithets, derogatory jokes or comments, slurs or unwanted sexual advances, invitations or comments; Intimidating or hostile acts

- Written or graphic material that denigrates or shows hostility or aversion toward an individual or group.

- Physical conduct including assault, unwanted touching, intentionally blocking normal movement or interfering with participation in SSYC activities because of sex, race or any other protected basis;

- Threats and demands to submit to sexual requests as a condition of continued involvement at SSYC, or to avoid some other loss and offers of SSYC benefits in return for sexual favors

- Retaliation for reporting or threatening to report harassment.

- Communication via electronic media of any type that includes any conduct that is prohibited by state and/or federal law, or by SSYC policy.

Notices ((Continued))

Individuals and conduct covered These policies apply to all members, volunteers, subsidiary organizations or by someone contracting with SSYC. Conduct prohibited by these policies is unacceptable in any activities sponsored by SSYC.

Reporting an Incident of Harassment, Discrimination or Retaliation

SSYC encourages reporting of all perceived incidents of discrimination, harassment or retaliation, regardless of the offender's identity or position. Individuals who believe that they have been the victim of or a witness to such conduct should discuss their concerns with the Vice Commodore. See the Complaint Procedure described below. In addition, SSYC encourages individuals who believe they are being subjected to such conduct to promptly advise the offender that his or her behavior is unwelcome and to request that it be discontinued. Often this action alone will resolve the problem. SSYC recognizes, however, that an individual may prefer to pursue the matter through complaint procedures. SSYC also encourages the prompt reporting of complaints or concerns so that rapid and constructive action can be taken before relationships become irreparably strained. Therefore, while no fixed reporting period has been established, early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of harassment. Complaint Procedure Individuals who believe they have been the victims of conduct prohibited by this policy or believe they have witnessed such conduct may file a formal complaint with the Vice Commodore. An individual who feels uncomfortable discussing the matter with the Vice Commodore for any reason may bring it directly to the Commodore. Any reported allegations of harassment, discrimination or retaliation will be investigated and documented as promptly as possible. The investigation and documentation may include individual interviews with the parties involved and, where necessary, with individuals who may have observed the alleged conduct or may have other relevant knowledge. Confidentiality will be maintained throughout the investigatory process to the extent reasonably consistent with adequate investigation and appropriate corrective action.

Complaint Resolution and Outcome

Upon completion of the investigation the Vice Commodore will bring their recommendations to the SSYC Board of Directors. The Vice Commodore may recommend no further action is necessary or that appropriate disciplinary action be taken, up to and including termination of the accused party's relationship with the SSYC. The SSYC Board of Directors will review and vote on a resolution. If a party to a complaint does not agree with its resolution or is uncomfortable speaking with the Vice Commodore, that party may appeal to the Commodore.

Retaliation Outcome

Retaliation against an individual for reporting harassment or discrimination or for participating in an investigation of a claim of harassment or discrimination is a serious violation of this policy and, like harassment or discrimination itself, will be subject to disciplinary action up to and including termination of his/her membership and any volunteer duties. Acts of retaliation should be reported immediately and will be promptly investigated and addressed.

False or Malicious Complaints Outcome

False and malicious complaints of harassment, discrimination or retaliation, as opposed to complaints that, even if erroneous, are made in good faith, may also be the subject of appropriate disciplinary action up to and including termination of his/her relationship with SSYC.

Disclaimer: The organization has the right to interpret, modify, amend, in whole or in part, in its sole discretion, this policy in any manner at any time for any purpose provided it does not conflict with applicable local, state or federal law. This policy does not constitute a contract or promise by the SSYC Board of Directors but serves as a guideline for appropriate conduct for its representatives.
