Commodore's Comments by Chris Haro

We have less than three weeks of summer left. How do I know this? Yes, I could have looked at a calendar, but then I would have had to calculate how many days are left. So, how *do* I know there are three weeks of summer left? COSTCO! I was shopping for my favorite drinks when I spotted Halloween AND Christmas merchandise for sale! I am a little disappointed that I did not see any adult-sized costumes at my Costco.

Even with COVID, this summer seems to have gone by in a flash! In August, we had our first dinner back at the club since February. Space is extremely limited so you must RSVP ASAP or you will miss out on the next dinner(s). John Marshall was recognized (and given a bottle of Champagne by yours truly), for doing such a great job as our P.R.O. (Principle Race Officer), running the Hibachi Summer Races, and the Crew of Two.

Over 20 of your fellow SSYCers sailed across the channel to the Isthmus in Catalina. Unfortunately, we did not have our usual

BBQ of shrimp on the beach (Chris and Lynn

Tadlock did procure a shrimp cocktail package for each boat), but I know that all had a GREAT time partaking in swimming, hiking, frisbee golfing, drinking and eating. I would like to thank Martha and Clive Gurwitz as well as Penny and Mike Nelson for hosting a LOT of SSYCers on their vessels.

Your board has passed a resolution that EACH person/member shall have a signed waiver on file. For our new members, this was completed when you joined the club. For members who have been on club outings, chances are you have signed the waiver already. For the rest of our members, we still need a signed waiver. Thus, at your next event, we will request you complete a waiver. What happens if you do not? Well, then I must be the BAD guy and deny you access to club events. Note, you may still use the facilities at NBYC, but if it is an SSYC hosted event, you will not be allowed to partake, such as the Holiday Boat Parade or the 2nd Friday Dinners, etc. This is in line with what most yacht clubs require of their members.

Your Commodore,

Christopher V Haro

Hello South Shore Yacht Club Members!

Well, it is September and you know what that means,
Labor Day!

Our national holiday that celebrates us, the American worker and the contributions we have made to prosperity in the United States. Labor Day also traditionally marks the end of summer and in most locations in the northern hemisphere, boating for the season. However, we live in sunny Southern California where we can enjoy the sun and boating all year long.

To celebrate the continuation of our boating year, we sailors of South Shore Yacht Club (SSYC), celebrated by having our annual Endless Summer Dinner on September 12, 2020 at our sister association, Newport Beach Yacht Club. Thank you, Rear Commodore Jen, for making our SSYC dinners successful this year in 2020, during Covid-19. You rock!

I wish everyone at SSYC good health as we enter the Fall Season.

I want to take a moment to
make a shout-out to my wife
and wish MaryBeth, HAPPY BIRTHDAY!!!

South Shore Yacht Club is, “the Friendliest Yacht Club in Newport Beach”.

Throughout all the COVID craziness, we have been able to see a little bit of normalcy this last month. I cannot begin to tell you how great it was to be able to be back at NBYC for our traditional 2nd Friday Night Dinner. The regular crew was there to greet us and it felt like home. There were a couple of changes...no cocktail hour as we could not stand and mingle, no major agenda or theme, and we were limited on the number of guests we could have. Our tables were set 6 feet apart and had only 6 seated at each table. Newsom was even present to keep us in line...and we were all surely well behaved. With the minimal restrictions, we still packed the house. Dinner was served outside on the patio and it couldn't have been a nicer evening. We may think of eating outside more often. Freddy Zuma played live music while we dined. While there was no major agenda or theme, we did have a few announcements. We had two sets of new members that evening...Ed Haro and Keri & Andreas Ingvarsson. Welcome to the club!! Chris Haro presented John Marshall with a much-deserved bottle of Dom Perignon for all he has done with Racing and for the club in general. Cheers to you, John! And with that, Cheers to a great August! May we stay healthy and happy!

What Next on the Calendar **Sept**

Yet again, we have to pivot on another event. The Endless Summer Beach Party is now a Beach Dinner at NBYC. We will be closing out the summer Saturday 9/12/20 with a delicious dinner and live music. Evites have gone out and we have already reached capacity.

Oct

As our test run in August went great and we are having our Endless Summer Dinner at NBYC, we are back in the swing of things at the club. HOWEVER...Oct will be slightly different. Tammy from NBYC is having her son's wedding reception on the night of our normal 2nd Friday Dinner. (If you happen to see her at the club, tell her congrats 😊). So, we are moving our dinner one day out and will have it Saturday, October 10th. More details to come as we get closer to the date. Also in October, we are looking to set up some sort of Commodore's Cruise here in Newport. The tentative date is Oct 24th. More details to come.

Nov

Assuming all is well in the state of California, we will have our 2nd Friday Night Dinner at NBYC. If that doesn't work, we will look at moving it to Duffys.

Be safe and healthy.

Cheers,
Jen Johns

Nine boats and 33 people headed to Two Harbors on the weekend of August 21st through the 23rd. WOW! What an amazing weekend we had!

In spite of all the work Tom did trying to get all the boats together in the harbor, we really appreciate you, Tom, we ended up being scattered. We got an assigned space from the harbormaster and that was that! But, it was fun watching all the boats trying to maneuver through the wind and current to park their boats. Thank goodness for the dinghies that allowed us to go visiting!

The party started on Friday night aboard *Molokai Girl* for Happy Hour. It was awesome coming together with friends from SSYC. Many of us had not seen each other for a while because of COVID 19. It was wonderful to be together again.

Saturday night, most of us were off to the only restaurant on Two Harbors, Harbor Reef, for a delicious dinner. Thanks to Kathy Abbott for all the work she put into the dinner reservations. You're so awesome!

Chris and Lynn Tadlock want to thank everyone for welcoming their guests, Jason and Shannon Saathoff, and making them feel at home. They loved the trip and are considering joining the club!

Inviting friends to one or two of our outings is a wonderful way to introduce them to the club and all the super friendly members. After all, we are known to be the friendliest yacht club in town!

Sunday, we all headed home after a really wonderful time.

We are definitely looking forward to our September cruise where we will head to Alamitos Bay. The evites have gone out. Make plans to join us and send your RSVP!

Saturday was a very warm day, but a really fun day filled with activities. Some of us took off on a hike to a

beautiful lookout point over the harbor. Some stayed behind to play frisbee golf. Great exercise and tons of fun was had by both groups.

That afternoon, many of us tied up to Mike and Penny's boat, *Shindig*. Some took to the water for swimming and paddle boarding, while others came aboard *Shindig* to spend time talking. Most had a drink in hand, either one of Mike's Painkillers that were out of this world, or a wonderful concoction from Tina! Thanks to Mike and Penny for being such amazing, gracious hosts aboard their beautiful boat.
